**Global Solutions,
Customized for You.**

Management

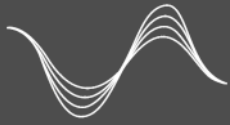

Atul Batia

Atul Batia, is a serial entrepreneur with deep expertise in manufacturing, sales, and marketing. Known as a problem solver at heart, he goes beyond business transactions by building and nurturing lasting relationships. An advocate for customer needs, Atulya has consistently created ventures that resonate with trust, value, and innovation. His entrepreneurial journey reflects not just business acumen but a commitment to people and long-term partnerships.

With over 15 years of experience in product implementations for supply chain and extensive cross-cultural exposure across global markets, Aditya brings a unique blend of technical expertise and business insight. Now based in Canada, he is channeling this experience into building a customer-focused export venture in restaurant supplies and customized food packaging. His approach emphasizes reliability, innovation, and a global perspective to meet the evolving needs of businesses worldwide.
